Headline formulas, About section skeleton, and connection-request formulas for MY / TW / HK / ID / PH / TH candidates targeting Singapore.

Fill in the brackets in your own words. Don't copy any line verbatim — recruiter search and LinkedIn's own algorithm both surface near-duplicate profiles less, and a headline you've clearly copy-pasted signals template use rather than genuine positioning.

1. Headline Formulas

[Function] professional | [X] years in [market] | Targeting [Singapore/APAC] roles in [industry]

[Current title] at [current company] | [Language 1, Language 2, Language 3]
| Open to Singapore relocation

Helping [client type] with [core skill] across [Market A, Market B] | Now based in Singapore

[Industry] specialist | [Home market] → Singapore | [Key achievement in 4-6 words]

2. About Section Skeleton

Write four short paragraphs, in this order. Each has a job to do — don't skip one or merge two together.

Paragraph 1 — Who you are, in SG-legible terms

[SG-equivalent title from Part 2 of the guide] with [X] years across [market(s)], focused on [function/industry].

Paragraph 2 — Your single strongest quantified achievement

[Achievement], converted per Part 1A of the guide — e.g. "Grew a portfolio of [X] accounts to [local currency] X in annual revenue (approx. SGD Y)."

Paragraph 3 — The regional-to-SG transition, stated directly

Now based in / targeting Singapore, bringing [language fluency / regional account experience / specific market knowledge] that supports [type of role/accounts].

Paragraph 4 — What you're looking for + a soft call to action

Open to [role type] opportunities in [industry] – happy to connect if you're hiring or know someone who is.

3. Connection Request Message Formulas

Keep these under 300 characters — LinkedIn truncates longer notes, and short notes get accepted more often than long ones.

Hi [Name] – I'm a [your SG-equivalent title] based in [market], currently exploring [role type] opportunities in Singapore. Would love to connect and learn more about [Company]'s team.

Hi [Name] – noticed we're both in [industry]. I recently relocated / am relocating to Singapore from [market] and would value connecting with people doing similar work here.

Hi [Name] – I saw your post on [topic]. I work in [function] across [market(s)] and wanted to connect – always keen to learn from people building in the SG [industry] space.

4. Recruiter Outreach Message (when applying)

Hi [Recruiter Name] – I just applied for [Role] at [Company]. Quick context: I'm a [SG-equivalent title] with [X] years across [market(s)], most recently managing [scope/achievement, SGD-converted per Part 1A]. Happy to share more if useful – thank you for considering my application.
